ACTIVITIES

WINTER DAY

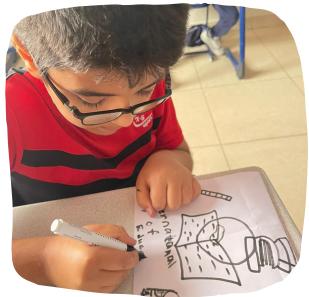

Winter Day has finally arrived and it's time to celebrate! Our students put on their warmest clothes and head to school, took a moment to appreciate the beauty of the season and all the opportunities it brings.

FRUITS DAY

At school, students were offered a selection of fresh fruits, including apples, bananas, grapes, and oranges. These options not only contributed to their overall health but also allowed each student to choose their preferred fruit and enjoy a sweet snack during the school day."

WORLD EDUCATION DAY

Eadad International Academy celebrated World Education Day with joy and enthusiasm! A range of activities were held to emphasize the value of education in advancing individual and community development. These activities were designed to motivate our students to serve as catalysts of change in their communities, contributing to a brighter future.

ACTIVITIES

DENTAL HYGIENE

HUAWEI NOVA 3i
DUAL CAMERA

EIA School nurse, with her expertise and engaging approach, successfully educated the students the importance of dental hygiene. She encouraged them to practice proper oral care habits, such as brushing and flossing regularly, to keep their teeth free from cavities and plaque.

LITTLE INVENTOR ACTIVITY

because we vision to empower students to learn for life, Little Inventor activity was held where students were asked to create something from the materials given to them. they were determined to make something of their own. They had a range of ideas, from simple to complex, but only one thing was certain: they wanted to create something unique and that could be shared with others.

DR. ABDULRAHMAN'S LECTURE

Dr. Abdulrahman expertly imparted his knowledge to the students with impeccable manners, creating a warm and respectful atmosphere for learning.

MOST IMPROVED STUDENTS

EIA students' hard work and dedication have finally paid off as they were awarded a certificate recognizing their achievements as the Most Improved Students of January. Their unwavering effort and determination has resulted in this well-deserved recognition. Their success serves as an inspiration to their peers and demonstrates the power of perseverance and hard work.

FIRE DRILL

Our dedicated students, with a strong sense of responsibility, actively participated in the fire drill held at the school, exhibiting a thorough understanding of the importance of being prepared in case of emergency situations.

KEEP IT UP !!

COMPETITIONS

SPELLING BEE COMPETITION

this activity provided a platform for young learners from other branches to showcase their expertise in English spelling. The competition was an exciting event where students put their skills to the test and demonstrate their mastery of the language in front of a supportive audience.

DEBATE ACTIVITY

thanks to their savvy use of technology our students conducted thorough research about different subjects, formulated arguments with clarity, and presented them with conviction

YOUNG MATHEMATICIAN COMPETITION

in collaboration with EIA - Aziziya branch & Alfaisl. a young mathematician, the competition was conducted where all participants were determined to demonstrate their aptitude in mathematics.

BADMINTON COMPETITION

our students participated in badminton competition, which was a thrilling event filled with energy and excitement.

PROFESSIONAL DEVELOPMENT

RECORDS MANAGEMENT

BASIC TROUBLESHOOTING

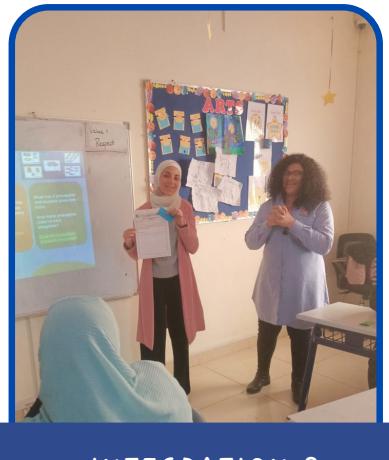

THE INDOOR ENVIRONMENT:
DESIGNING AND ORGANIZING

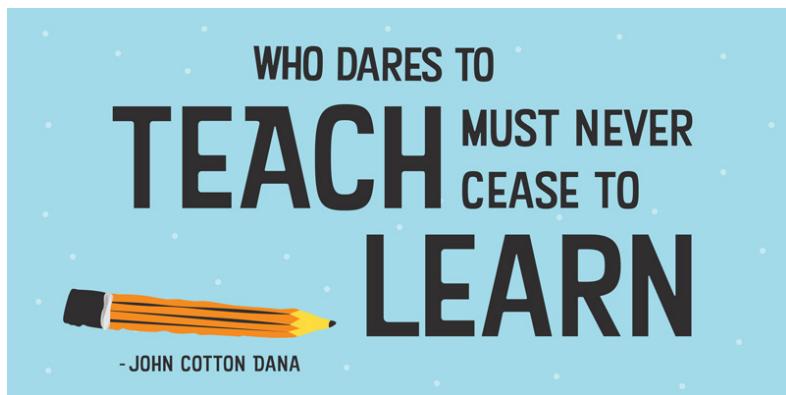

THINKING TOOLS

CLASSROOM MANAGEMENT

INTEGRATION &
DIFFERENTIATION

COMMUNITY PARTNERSHIP

"PLANT AND LEARN" FROM FRIENDS OF THE ENVIRONMENT CENTER

our students were happy to know more about agricultural skills from friends of the environment center who shared principles about preserving our mother earth.

PARENT'S COLLABORATION

as part of involving parents in the educational process, Saif's mother volunteered to share some of her experience as a science teacher and give interesting science experiments to year 1 & year 3 students.

TWINNING WITH OTHER SCHOOLS

teachers at Eadad International Academy received visits from Ebla International School, Alfaaisal School and Oxford, in order to gain insight and gather best practices.
